## Clean Sweep® Covid-19 Temporary Packaging

The Tetra Corporation, like many of us who do the shopping, has found that certain components we use to package our products are unavailable. It's for this reason that you will notice that future shipments of Clean Sweep® will have a new container. There hasn't been any other change to the product. Who knows, maybe your patients will prefer the trigger sprayer!

The Tetra Corporation, P.O. Box 10, Eaton Rapids, MI 48827 Ph: 800-826-0479 Fax: 517-663-8380
