

Conquer Nail Fungus with Our Three-Step Solution

Nail fungus is uncomfortable, unsightly, and prone to recurring after treatment. If you're among the many who struggle to deal with it, it's easy to feel like you're out of options. But what if there were *three* different solutions that all worked together, eliminating stubborn nail fungus once and for all?

That might sound too good to be true, but relief really is available, and it comes in the form of three powerful products that [The Tetra Corporation](#) provides directly to doctors: [Formula 3®](#), [Clean Sweep®](#), and [FungiFoam®](#)! All of these options work in tandem to deliver the long-lasting results that you need. Keep reading to learn how.

Step 1: Target the Fungus with [Formula 3®](#) Antifungal

[Formula 3®](#) is a groundbreaking product that effectively targets nail fungus.

- [Formula 3®](#)'s unique in-solution formula ensures that the active ingredient, tolnaftate, is delivered directly to the infected area.
- This powerful antifungal agent has been approved by the FDA for over 50 years and is known for its effectiveness in treating both athlete's foot and ringworm.

Step 2: Eliminate Odor with [Clean Sweep®](#)

Nail fungus can often lead to unpleasant smells, but you can deal with that by using [Clean Sweep®](#), a safe, natural deodorizer that helps eliminate odors from your shoes and other footwear.

- By targeting bacteria, fungus, and mold, [Clean Sweep®](#) provides long-lasting odor control and helps create a healthier environment for your feet.

Step 3: Prevent Recurrence with [FungiFoam®](#)

[FungiFoam®](#) is a multi-functional product that offers both treatment and prevention!

- It combines anti-fungal properties with exfoliating and moisturizing benefits, helping to soothe itchy, irritated skin and reduce the risk of future infections.

How to Use Our Three-Step Solution:

Before you get started, be sure to clean the affected area! Wash your feet thoroughly and dry them completely. Then, you're ready to...

1. **Apply a thin layer of [Formula 3®](#) to the affected nails twice daily** for successful treatment.
2. **Use [Clean Sweep®](#) to deodorize and sanitize** your shoes and other footwear.
3. **Prevent recurrence by applying a pearl-sized amount of [FungiFoam®](#) daily** to help prevent future infections.
